To issue a summons.

The probation officer believes that the offender has violated the following condition(s) of supervision:

|-------------------------|--------------------------------|
|-------------------------|--------------------------------|

| | |
|---|---|
| 1 | <p><u>Special Condition # 14:</u> You shall reside in a residential reentry center (RRC) for a period of up to 90 days. You shall abide by the rules and requirements of the facility and shall participate in programs offered by the facility at the direction of the supervising officer.</p> |
|---|---|

Supporting Evidence: On July 22, 2016, The U.S. Probation Office in Spokane, Washington, received a phone call from the director with the Spokane Residential Reentry Center (RRC) who indicated that Mr. Howard was being terminated from their program due to "significant concerns" regarding the client's behavior.

The U.S. Probation Office respectfully recommends the Court issue a summons requiring the offender to appear to answer to the allegations contained in this petition.
